

PIAVE

LA SERENIDAD DEL COLOR

La Toscana es el origen de los mármoles más preciados del mundo, pero, además de la pureza de los mármoles blancos, la Toscana nos ofrece color. El cromatismo impactante del mármol Collemandina procedente de esta región inspira Piave. La precisión de los veteados y el realismo de los matices cromáticos se expresan en una colección sinónimo de la alta decoración.

THE SERENITY OF COLOUR

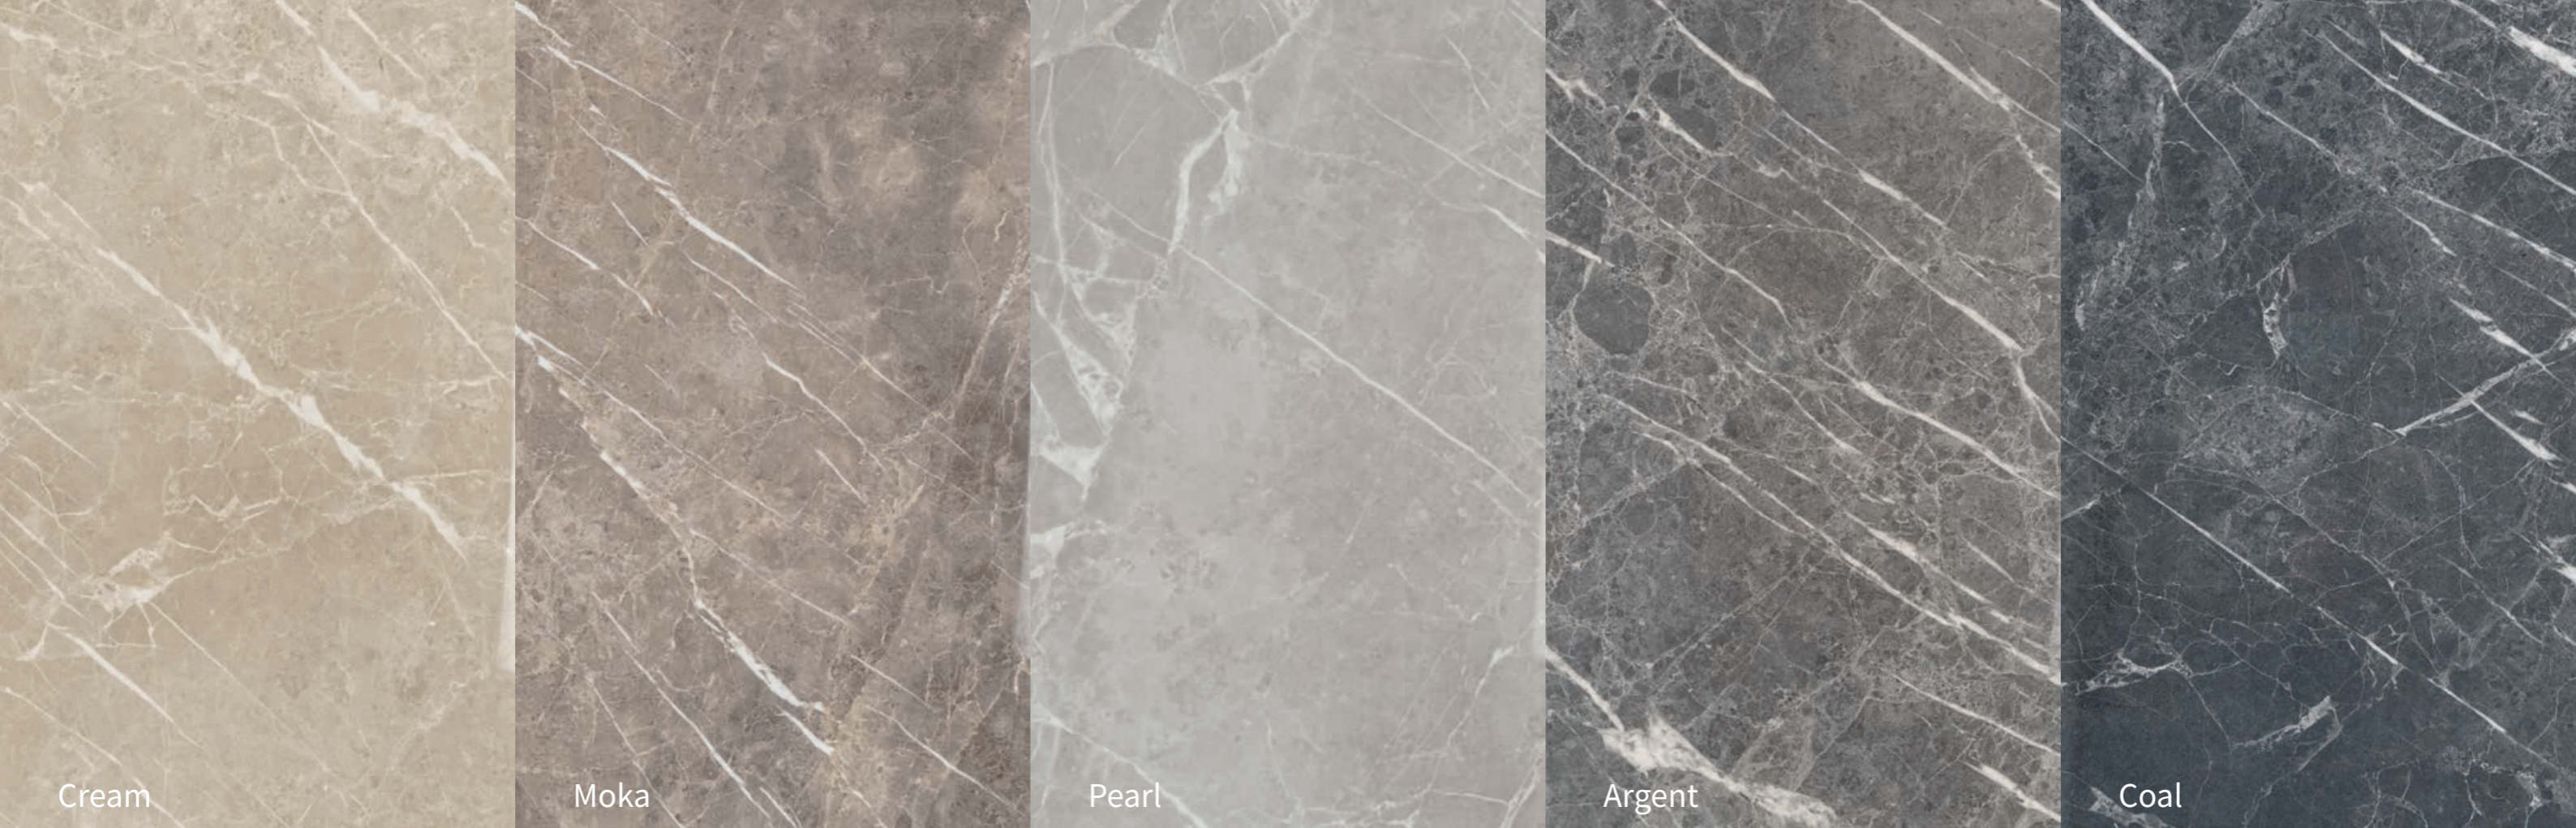

Tuscany is home to the world's most highly prized marbles, but as well as the purity of its famous whites, Tuscany also gives us colour. The striking palette of Collemandina marble from this region is the inspiration behind Piave. Its precise veining and realistic chromatic nuances are embodied in a collection that is a byword for high class decor.
