

CELLINI

DISEÑO SUAVE Y DIFERENTE

Cellini, un homenaje al clásico mármol de los Calacatta Statuario, formado habitualmente por vetas expandidas que son consecuencia de una abundante concentración de minerales filosilicatos. Vetas finas y paralelas en diferentes tonos grises, que destacan sobre un fondo de color blanco puro. Un diseño suave y diferente.

DISTINCTIVE GENTLE-LOOKING DESIGN

Cellini, is a tribute to classic Calacatta Statuary marble, whose surface is normally shot with thick veins due to its large concentrations of phyllosilicate minerals. Accompanying slender parallel veins in different shades of grey stand out against a dazzling white background, lending it a distinctive gentle-looking design.

AVANT-GARDISME SUBTIL

Cellini, un hommage au marbre classique des Alpes apuanes, habituellement constitué de veines fruits d'une abondante concentration de phyllosilicates. Des veines fines et parallèles dans différents tons gris, qui se détachent sur un fond blanc pur. Un design doux et différent.
